

# Why so many parents who have done their homework choose Ballet North West Academy!

## Parent viewing windows for all classes!

This allows you to view your dancer's class and watch the progression and teacher interaction.

## Great Teachers!!

All of our teachers have a strong background and experience in the classes they teach as well as performing experience, but MOST IMPORTANT, our teachers know how to teach and train dancers!

## Certified and Professional Floating Sprung Floor for safety!

We currently have over \$40,000 in certified and professional floating sprung floors. "Sprung floors" isn't always enough, our floors are floating and are certified with the gymnastic certification system in Germany!

## 70 vehicle "front door" parking lot for cars and SUV's!

Plenty of parking for even the largest vehicles. It is a nice, safe parking lot that allows you to come into and leave the studio with ease and convenience.

## So many different types of dance classes!

Ballet, Tap, Jazz, Hip Hop, Modern, Character, Adult Classes, Pilates, Repertory, Summer Dance Camps, Summer Intensives, Master Classes, Full-Length Productions!

## The academy is conveniently and centrally located across from the VRC and Starbucks!

Once you arrive, treat yourself to shopping in the mall or getting some errands done with easy access to downtown and Coburg Road.

## Year-round performing opportunities, including performance at the Hult Center!

We have lots of performing opportunities for our students including full-length Children's Ballets at the Hult Center, Annual June Performance and many more!

## Biannual progress reports on your dancer's achievements!

Each student receives a personal progress report from each BNWA teacher twice yearly. This really helps parents and students to understand their progress in dance skills. Reaching realistic short and long-term goals helps to build self-esteem and confidence!

## Convenient class times!

With our convenient location and class times, getting to dance class is no longer so much hassle!

## All students are taught from a syllabus!

All of our students are taught from a written, full year syllabus. This ensures ALL students progress at the same level and there are no gaps or variances in their instruction. Our students also get accepted into the country's most prestigious summer programs.

## Highest quality dance training and instruction for all ages!

At BNWA, we truly understand that most new students to dance just want to have fun and experience the benefits of dance. We also understand that you are spending money expecting your dancer to learn to dance. We can do BOTH!

## Caring, Helpful, knowledgeable and professional Staff!

We are always here to help you! All of our teachers and staff are part of a team. They are available to assist you as soon as you need it.

## Family business!

BNWA is a family run business with family values. As soon as you walk in you will feel the difference!

We continuously upgrade and improve our facilities to ensure the highest quality experience!

*And finally, because our families and students know we care!*
